Important Announcements:

Coaching Staff: The coaching staff is in place for the upcoming winter season. Victor Elliot will be the head coach. Victor's leadership, enthusiasm, and ability to motivate the swimmer make him an excellent choice to lead SMSC this winter season. Also joining Victor will be Sara Steffee as full time assistant coach. Sara swam competitively for the Carlisle YMCA and the Boiling Springs High School team. She was an assistant coach this past summer for NYAC. Sara is very excited to be joining SMSC and looking forward to meeting all of the swimmers. Steph Kuhn is re-joining SMSC as a part time coach working with the Sandsharks and Sean Barnes is coming on board as a part time assistant coach focusing on technique and stroke development.

Please join us in welcoming the coaches to SMSC.

Practice begins October 16: SMSC practice begins on October 16th at 6PM. For the first week of practice Oct 16th -20th, we would like all new swimmers and returning swimmers 10 years old and younger to attend from 6 to 7 PM and return swimmers 11 and up to attend from 7-8 PM. This is in an effort to minimize confusion and allow the coaching staff to properly evaluate everyone to make practice group assignments. Information on regular practice times will be distributed after swim group assignments are made.

Please note that the parents association will be available this first week to answer any questions you may have. We will be set up in the hallway with practice suits, clothing, caps, goggles, etc available for purchase. Please stop by and visit.
